If no average from the previous 2 years, bowlers will be allowed to use this year's highest average provided 21 games have been bowled. If none of the above applies, then bowlers shall compete in the 210+ scratch division. The 15- pin rule will be in effect.
- 4) Handicap for handicap division (209 and under) will be 90% of 209. The max score per game including handicap is 300. Any bowler with an entering average below 210, may choose to bowl in the scratch division if they so choose.

The top eight bowlers in each division, based on total pins—including handicap for the handicap division—will advance to the bracket finals. In the event of a tie for a position of 1-7 a coin flip will determine that player's position. A tie for 8th place, will result in a 9th and 10th frame roll-off. Bowlers in the handicap division will receive 1/5 of their handicap for the 9th and 10th frame roll-off. Bracket eliminations will consist of a 2-game combined total pins (including handicap) matches. Winners move on, losers are eliminated. Brackets pairings will be determined by qualifying seeding (I.e. #1 seed vs. #8 seed, #2 vs. #7 etc.).
- 7) No practice bowling will be allowed once the lanes have been conditioned.
- 8) Any rules not mentioned above will fall under the USBC Rule book.
- 9) The Tournament Committee and Tournament Director will handle all disputes
