GROWBA USBC Tournament Rules

- 1 The GROWBA Annual Women's Championship will be conducted under the rules and regulations of the USBC. Bowlers must be at least 18 years of age and a member of the GROWBA.
- 2 Report and use your **COMPOSITE** average from the 2023-24 season, which can be found at bowl.com. If no average last season, you can go back up to 3 years for a valid average with at least 21 games bowled. Current season's average must be used if it exceeds last years highest 21+ game average by 15 pins or more. It is the bowler's responsibility to report if they are currently 15+ pins over last years highest average. Failure to do so may result in disqualification.
- 3 Each of the main events will use **90% handicap off of a 200 average**. Anyone with an average of 200+ will bowl scratch. The maximum score with handicap for doubles event is 1800 and for singles it is 900.
- 4 Entrants may bowl twice in the team event, but only once in singles/doubles. If you bowl team multiple times, only your first team event score will count towards all events. People bowling team event multiple times, must have at least 2 bowlers different the second time they bowl.
- 5 Eligible bowlers may compete without payment of additional membership fees. Non GROWBA members can purchase an association membership of \$5 prior to bowling their first event. Each team is allowed 1 bowler who does not bowl in a sanctioned GROWBA league.
- 6 Rule 319d, reporting prior prize winnings, is waived.
